

August 2007

RE: Mentoring Opportunities

Dear Students,

It is our hope that you are enjoying your summer and taking a well-earned break from studies. We are sure you remember your first day in the Upper School. Given this, we are excited by the possibility that you might consider becoming a mentor for the 2007-2008 school year, helping incoming ninth graders and new students find success and, quite simply, their lockers. The time commitment would be minimal (three advisories a trimester and the occasional lunch) and the opportunity invaluable.

If interested, please email ryanhoglund@rhsm.org. You will get to meet these individuals at the ninth grade and new student orientation on Tuesday, August 28 at 1:00 pm to give group tours of the campus and help locate classrooms. Prior to this orientation we wanted to do lunch together earlier that same day at 12 pm in the Upper School faculty lounge to discuss activities, responsibilities, and, if it comes up, why our civilization drives on parkways and parks in driveways.

Again, thank you for your time and commitment to your peers; we are sure you will find it an enriching and exciting experience (hey, at least you're guaranteed a fan club). Enjoy the rest of your summer. Looking forward to seeing all of you in August.

Yours truly,

Diane Guido
Ryan Hoglund
